Online resources are also available from companies like [Gentreo](#), [Trust & Will](#), [U.S. Legal Wills](#), [Do Your Own Will](#) and [freewill.com](#) that offer the ability to update your Will without time commitment and expense of meeting with a lawyer. You may also be able to find discounts online (for example: *Sign up and save \$20 on [Gentreo](#) with code "ThinkSaveRetire"*) for some of these services.

Should you decide to use an [online service](#) be sure to research the features each provides and select an option that will work in your personal case. The [MoneyDoneRight](#) web site can help you compare products with overviews of several online services.
